# General Information and Conditions

#### STANDARD TERMS & CONDITIONS

ABUS USA, LLC ("ABUS), a division of the ABUS Group and all of its subsidiaries and related companies (future or currently existing) reserve the right to refuse an order, in its entirety or in part, when the credit of the Purchaser is judged not to be satisfactory in our absolute discretion. Furthermore, ABUS and its affiliates may refuse an order when the type or quantity of goods being requested does not conform to our ordering specifications.

The following conditions and terms incorporated herein constitute the entire agreement between the parties. Sales quotations, sales quotation requests, purchase orders or other forms of acknowledgment issued by the Purchaser that have contradictory terms and conditions do not bind ABUS or its affiliates to any other terms and conditions beyond those encompassed in this agreement. Only with separate written agreements written by ABUS or its affiliates and authorized by an ABUS representative may alternative terms and conditions be considered or referenced.

When ABUS accepts the Purchaser's purchase order, the Purchaser agrees that they accept the terms and conditions as described in this agreement regardless of the terms and conditions that may be specified in the Purchaser's purchase order. In the event when the Purchaser's purchase order terms and conditions and the terms and conditions specified in this agreement conflict, the Purchaser's terms and conditions will be disregarded and denied and the Purchaser agrees that this agreement shall constitute the entire agreement between the Purchaser and ABUS. In the event or circumstance that the enforcement of the terms and conditions of this agreement hereof is not conducted by ABUS or any other instrument, document, or alternative agreement relating to the goods being sold, such lack of enforcement will not waive, affect or reduce any right of ABUS in the future to require/enforce strict performance of such terms and agreements.

#### PRICES

All prices are subject to change without advance notice and are not guaranteed. All orders received by ABUS are deemed submitted at applicable prices in effect at the time of shipment pursuant to the terms and conditions outlined below. Possession of this catalog, ABUS Price List or other officially authorized ABUS documents, sales literature, catalogs does not constitute an agreement to sell. We reserve the right to correct clerical and other types of errors at any time. All prices are stated in US dollars.

#### TERMS

Decisions concerning the extension of trade credit are made by ABUS in its absolute sole discretion. Distributors/Purchasers who satisfy ABUS' ordinary credit criteria will be able to purchase products from ABUS at Net thirty (30) days. A service charge of 1% per month shall be imposed on the unpaid balance of any delinquent invoices. COD or Cash in Advance orders do not qualify for any term discounts. Furthermore, the Customer/Distributor/Purchaser shall be responsible for costs involving collections, court cost and or attorney's fees in association with the recovery of any overdue amounts.

#### **RETURNED CHECKS**

NSF checks will be charged a \$30 returned check fee. Returned checks are required to be paid by money order, cashier's check, or credit card. ABUS reserves the right to revoke open terms and change the account to Credit Card Required if we receive more than two returned checks for an account in any 90 day time period.

#### CREDIT HOLD POLICY

ABUS reserves the right to hold orders for any account that is past due.

#### STATE RESALE TAX CERTIFICATE

ABUS is required by law to have a valid resale tax certificate on file for each customer that makes a tax-exempt purchase. It is very easy to confuse the Resale Tax Certificate with a sales tax license, registration, or resellers permit number. The Resale Tax Certificate applies to the purchase(s) of goods for resale and proves that sales tax does not need to be collected; the purchaser must collect sales tax when the goods are resold. There are state specific laws that must be followed. Unfortunately, there is no one form that can be used in all states. ABUS must have a Resale Tax Certificate for each dealer for each state, and may have multiple Resale Tax Certificates for a customer. Some Resale Tax Certificates expire, so ABUS must monitor the validity and be certain that Resale Tax Certificates on file are current.

#### ACCOUNT CHANGES

For your protection, any changes to your business such as name, address, phone/fax number, contact personnel, or ownership must be submitted to ABUS in writing by a principal and then sent via fax or USPS to us.

#### **CHANGES & CANCELLATIONS**

Changes to or cancellations of orders must be made in writing and delivered by email, fax or regular mail. Cancellations made after ABUS has issued an order acknowledgment are subject to ABUS approval, and are subject to a \$25 processing fee in addition to any cost incurred by ABUS as a result of the original order.

#### QUOTATIONS

If and when ABUS chooses to provide an official sales quote, the quote will be valid for thirty (30) days. Complete shipment of the order must be accepted by the Purchaser within six (6) months from the date of issuance. Sale quote numbers (S0 #'s) and possible project names must be referenced on the order. The sales quote is considered null and void if the Purchase Order does not reflect all of the product lines on the original sales quote or if the quantities for an item found in the quote deviate fifteen (15) percent or more. The Purchaser must request a new quotation.

Amendments, changes or modifications to an original sales quote will be accepted for up to thirty (30) days from the date of the original quote. All modifications must reference the original sales quote number. With the acceptance of the sales quote for the purchase of products, the Purchase agrees that the products or services being purchased will not be resold or transferred to any distributor not sanctioned/authorized by ABUS to sell its products. This includes all branches and affiliates of the distributor. Failure to adhere to this restriction may result in the distributor's loss in eligibility for quotes or services in ABUS sole discretion.

#### **FREIGHT POLICY**

ABUS will prepay freight on deliveries to customers provided the following conditions are met (customers in Alaska, Hawaii, Puerto Rico, and Canada are excluded and should contact ABUS USA, LLC for information regarding applicable freight charges):

- 1. The order must be for a minimum of \$750 to qualify for prepaid freight.
- 2. Payment of invoices is within terms. (i.e. freight will not be prepaid on orders to customers with past due invoices).
- ABUS reserves and shall have the absolute right to select and employ the most economical carrier. If the customer specifies routing that results in higher freight costs, then ABUS' invoice will include the difference, which the customer agrees to pay.
- All shipments are FOB (Freight On Board) ABUS US, Phoenix, AZ. Title of goods passes to customer upon delivery thereof by ABUS to the carrier or delivery service. Thereupon, the purchaser assumes fully the risk of loss.

To the extent permitted by law, ABUS and its agents and affiliates (collectively "ABUS Parties") shall not be responsible for, and the purchaser hereby assumes the risk of, and hereby releases ABUS for any damages or injury whatsoever (including, without limitation, incidental or consequential damages, damages for lost profits or business interruption, and punitive damages) caused by or related to any use of ABUS Products, regardless of any error, omission, interruption, defect, failure of performance, delay in operation or transmission, even if ABUS has been advised of the possibility of such damages. Upon request by ABUS, all disputes concerning and claims arising from the foregoing shall be referred to binding arbitration in Maricopa County, Arizona by an arbitrator selected only by the Superior Court of Arizona in Maricopa County.
